Simplify Your Document Process

A smart, versatile solution to meet your mailing needs

Communicating with customers is an essential part of your business. That is why a fast and efficient mailing process is essential. The DS-40i folder inserter introduces an automated process that takes mail processing from hours to minutes. Manual processes take time and resources that could be better focused on more valuable tasks. With the DS-40i, your automated process will reduce costs and allow you to reinvest your resources in a new way to engage with your customers and enhance the customer experience.

User-Friendly System

The DS-40i includes an intuitive 5-inch color touch screen for easy operation. With the incorporated wizard-based software, you can easily program, adjust settings and run your jobs, letting the software guide you each step of the way.

Design Versatility

Ten times faster than the manual process, the DS-40i's proven reliability and ease-of-use will allow you to complete jobs quickly and efficiently. Its office-friendly design provides easy accessibility to the entire paper path.

Flexible Document Feeding

The DS-40i accepts a wide variety of documents, such as invoices, statements, inserts and envelopes. With double feeding detection, you can rest assured that each envelope has the correct number of documents. Give your communications a professionally finished look and feel by choosing one of the three folding choices: letter fold, single fold or double parallel fold.

Business Impact

Revenue Growth

Speeds invoice processing and payment time

Risk Mitigation

Ensures each envelope has the correct number of documents

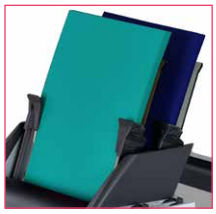
Customer Engagement

Improves the quality and process of customer communications

Expense Control

Reduces operating costs through process automation

DS-40i



1. Document Feeder

Two document feeders and one insert feeder provide ease-of-use, increased productivity and document processing versatility.
