High-Security Optical Media Shredding

The Formax **FD 8714HS High Security Optical Media Shredder** is NSA/CSS EPL listed with features designed specifically for the destruction of Optical Media. The cutting system shreds up to **800 discs per hour into 2mm x 2mm or less particle sizes**, making it the perfect solution for top secret and classified shredding of **CDs, DVDs, and Blu-ray discs**. An **easy-to-use LED control panel** puts the power right at your fingertips. In addition, the **ECO Mode** saves energy by automatically switching into standby mode after 5 minutes of inactivity. The **EvenFlow™ Automatic Oiling System** periodically lubricates the **heat-treated steel cutting blades** to keep the FD 8714HS in peak operating condition.

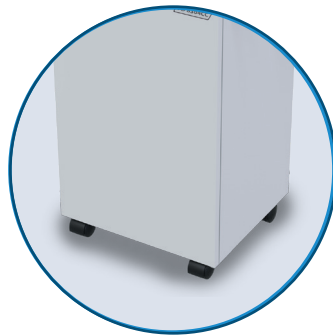

User-friendly Control Panel
Auto Start/Stop/Reverse, Full Bin Indicator, Load Indicator

Commercial Grade
Heat-treated solid steel cutting blades, all metal gears, & an AC geared motor

Automatic Oiling System
EvenFlow™ Automatic Oiling System lubricates blades for peak performance

Rugged All-Metal Cabinet
Includes casters for mobility

O-6 Security Level
Shreds "top secret" or classified optical media: CDs, DVDs & Blu-ray
